General Members must derive at least 75% of their income from the active involvement in the field of commercial real estate. General Membership fees are \$95 annually.

Your company should fall into one of these categories:

- Appraisal
- Architecture
- Brokerage
- Construction
- Development
- Engineering
- Environmental
- Real Estate Finance
- Institutional Lending
- Insurance
- Real Estate Law
- Leasing
- Market Research
- Mortgage
- Property Management
- Title / Escrow
- Transactions

WIRE Affiliate Membership is open to 1) former WIRE members who are currently employed outside of the commercial real estate industry 2) retired former WIRE members, or 3) students in MBA Real Estate Programs.

WIRE Associate Membership is open to those whose business derives at least 75% of their income from active involvement in a business that provides services to individuals or businesses engaged in the commercial real estate field. Associate memberships are restricted to 20% of the overall total membership. Associate Membership fees are \$125 annually.
